Dear Patient:

I am writing to inform you that I have accepted a position in Pain Management with the Veterans Administration in San Antonio and will soon be leaving SA Pain Clinic. My last day seeing patients will be November 13, 2026.

Over the past twenty months, I have had the privilege of caring for patients at SA Pain Clinic. During this time, I have met many remarkable individuals and their families who allowed me to be part of their healthcare journeys. I am sincerely grateful for the trust, support, and confidence you have shown me. While change can be difficult, I am committed to helping make this transition as smooth as possible.

Your ongoing care will remain in excellent hands with Dr. Larina Gutenberg, Dr. Roberto Diaz, and Dr. Ma Luo who will continue to provide excellent care for you at the three current locations. You may continue scheduling appointments by calling (210) 298-4900 and will continue to receive the high-quality care you need.

According to the Texas Medical Board rules, I am required to provide you with the opportunity to obtain a copy of your medical records or have your medical records transferred. If you prefer to remain with the physicians of SA Pain Clinic no action is required by you at this time.

If you would like a copy of your medical records or would like to have the records transferred to a physician outside of SA Pain Clinic, please contact SA Pain Clinic's number referenced above to request a release of medical records form. Please note that a reasonable fee may be charged for paper or electronic copies of medical records, as permitted under applicable Texas Medical Board rules.

Thank you again for allowing me to participate in your care. It has been an honor and a privilege to serve you, and I wish you the very best in health and wellness.

Sincerely,

Michele Alston, M.D.
